

SKILLSOURCE
LEARNING PARTNERS

Expert Talent and Learning Consultants

Performance Consulting at the Speed of Staffing

How Can We Help?

SkillSource Learning Partners offers highly qualified talent and learning experts, by the project. Whether you are seeking a subject matter expert or are experiencing a surge of work, our experienced team of consultants is excited to partner with you. We can engage via time & materials, retainer, or by the milestone — whether you've scoped your project or would like guidance in crafting your vision.

Areas of Expertise

- Instructional Design & Development
- Learning Strategy
- eLearning Design and Development
- Leadership Development
- Sales Transformation & Enablement
- I/O Psychology Consulting
- LMS Selection Implementation & Support
- Diversity, Inclusion, Equity & Belonging

Our Satisfaction Guarantee

We are built on quality and driven by results. If the work fails to meet your expectations, you don't pay for it. It's as simple as that!
